All Names of the Company: Maynard Fab & Trailer Sales LLC

Owner of the Company: Nancy J. Kline

State of Incorporation: Single Member LLC, Elkhart Indiana

Product Manufactured: Maynard Fab & Trailer Sales LLC builds open utility, landscape, car haulers, implement, dump, and deck over trailers using steel. The steel is cut, welded, primed & painted. Then trailers are finished by adding wood, lights, couplers, axles, etc. to make a complete finished trailer. The trailers are then sold to dealers to put on their retail lots. All trailers are delivered to Dealers as a complete product.

GVWR: The gross vehicle weight ratings of our products range from 2,990 lbs. to 21,000 lbs.
