

ORG 7631

Organizational Changes: Our manufacturing operations at 18111 South Santa Fe Avenue, Rancho Dominguez, CA 90221 were ceased as of May 31, 2011, and moved to the Carson, CA 90479 location.

MQ Whiteman, previously known as Whiteman Industries, a Division of Multiquip Inc., now exists only as a brand name.

MQ Power, a division of Multiquip Inc., now exists only as a brand name.

Product Manufactured: Manufacture of Equipment Trailers from steel and other manufactured components purchased from regional and national companies. Assembly of Trailer Kits with engine generator sets, welders, light towers, pumps, etc., for field work.

GVWR: The gross vehicle weight ratings (GVWR) of our products range from 2000 to 25000 lbs.

In accordance with the requirements of 49 CFR § 565.16, Multiquip Inc. hereby submits the requisite VIN Decode information as Appendix A to this letter. The same is also being sent to the office of the VIN Coordinator at your 1200 New Jersey Avenue, SE, Washington DC, 20590.

If your offices have any questions or concerns regarding this information, please feel free to contact the undersigned.

Sincerely,

Mukesh Patel
Product Compliance Engineer
