1200 New Jersey Avenue SE, Room W43-488
Washington, DC 20590

Ref.: 49 CFR 566 Manufacturer Identification

Name of Company: Mallaghan Inc.
EIN: 33-1222457

State of Incorporation: Delaware

Company Owners: Ronan Mallaghan (CEO) / Christopher Coffey (CFO)

Registered Address: 400 West Market Street, Suite 1800, Louisville, KY 40202, USA

Operating Address: 1220 Clermont Drive, Bardstown, KY 40004, USA

Product Manufactured: Mallaghan Inc is a final-stage manufacturer of Airport Catering Trucks. Vehicles are manufactured primarily for operations at US airports and undertake limited activity on public roads during travel between Off-Site Airport Catering Company kitchens and the airports.

Mallaghan Inc, as a body-builder, manufactures and assembles its GRP cabin structure and control equipment onto US-manufactured truck chassis which are certified as "incomplete" at the time of purchase. With respect to NHTSA identified Motor Vehicle Equipment Items Subject to the FMVSS (Reference: Table 2 of Requirements for Manufacturers of Motor Vehicles and Motor Vehicle Equipment Document) only DOT-certified Lamps and Reflective Devices are included within our equipment requirements and are purchased from U.S. Suppliers

GVWR: The gross vehicle weight ratings (GVWR) of our products can range from 15,000 lb to 30,000 lb depending upon model selected.

I would be grateful if you could process this request for registration under NHTSA process. Should you have any questions please do not hesitate to contact the undersigned at the email address provided below.
