Re: Harley-Davidson Motor Company Coding for Part 565 in Code of Federal Regulations

Dear VIN Coordinator:

In compliance with Part 565, Vehicle Identification Number Requirements in the Code of Federal Regulations, Harley-Davidson Motor Company has attached the abbreviated VIN codes for our 2015 Models. These codes represent position 4, 5, 6, 7, 8 and 10 in a 17 character VIN.

Please note, we are releasing the Street XG500 and XG750 models in advance of the other 2015 models. A revised letter will be sent at a later date with all the 2015 models.

If you have any questions or require additional data, do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Tim Wegner".

MODEL YEAR 2014 ABBREVIATED VIN INFORMATION FOR HARLEY-DAVIDSON
(POSITIONS 4, 5, 6, 7, 8 AND 10)

| <u>MODELS</u> | <u>STD. VIN</u> | <u>CALIF. VIN</u> |
|---------------|-----------------|-------------------|
| XG500 | 4NAA1*F | 4NAA3*F |
| XG750 | 4NBB1*F | 4NBB3*F |

Notes:

The abbreviated VIN is comprised of the 4th, 5th, 6th, 7th, 8th, and 10th characters of the complete VIN.
The * indicates the check digit (in the complete VIN) and it can only be the numerals 0-9 or the letter X.
