

Walking Safely to Your School (Song)

Sung to Simon and Garfunkel's: 50 Ways to Lose Your...

If walking to the bus, Gus

Make a safe plan, Stan

Walk with a pal, Sal

And give yourself time.

Or walk all the way, May

Each day that you can, Jan

Don't walk on your own, Simone

Grab some friends and adults.

As you walk to your school, Raoul

Sidewalk it when it's there, Blair

Obey the safety rules, Jules

Stay out of the street.

No sidewalk, not a prob, Bob

Stay to the side, Clyde

Walk facing the cars, Lars

That's what you should do.

Stop at the curb, Herb
Walk out to the edge, Reg
Look left-right-and left, Steph
Cross streets when they're clear.

Crosswalks should be used, Jude
When the signal says go, Joe
Don't run, take it slow, Moe
Hold a young child's hand.

No music or phone, Tyrone
Use your eyes and your ears, Amir
Assure drivers see you, Lou
Always look eye to eye.

Be bright with your clothes, Rose
Walk at night with a light, Dwight
Watch for cars backing up, Buck
Now get going, you're late!
