INTRODUCTION

This digest reports the status of State laws concerned with impaired driving offenses and alcoholic beverage control for all 50 States, the District of Columbia, and Puerto Rico. It is designed to be an easily accessible reference to all States’ current laws on alcohol and other issues related to impaired driving. The digest contains a selection of the most important laws pertaining to impaired driving.

Each State entry includes: Basis for a DWI Offense; Chemical Breath Tests for Alcohol Concentration; Adjudication of Driving While Intoxicated (DWI) Charges; Sanctions; Administrative Licensing Actions; Ignition Interlock; Sobriety Checkpoints; Other Criminal Actions Related to DWI; DWI Offenses and Commercial Motor Vehicles; Driving While License Suspended or Revoked Where the Basis Was a DWI Offense; Minimum Age Alcohol Laws; Dram Shop Laws and Related Actions; Open Container Laws; and others.

DEFINITIONS

Administrative Per Se Law:
This allows a State's driver licensing agency to suspend or revoke a driver's license based on a specific blood alcohol concentration (BAC) or on other criteria related to alcohol or drug use and driving. Such action is completely independent of any licensing action related to a driver's conviction for an impaired driving offense. These laws usually cover both resident and nonresident drivers. However, for nonresident drivers, the action would be limited to denying driving privileges in the sanctioning State.

Commercial Motor Vehicle:
For impaired driving offense purposes, most States define a "commercial motor vehicle" (CMV) as one that (1) has a gross vehicle weight $\geq$ 26,001 pounds; (2) is designed to transport 16 or more people including the driver; or (3) transports hazardous materials.

Dram Shop Laws:
These are statutory or case laws that provide that a person who serves alcoholic beverages to an intoxicated individual may be liable for the damages caused by such individual. In some States, a server may also be liable for injuries sustained by the intoxicated individual.

DWI, DUI, and Impaired Driving Offense:
These are generally "non-legal" terms that refer to any criminal action related to driving a motor vehicle while "illegal per se" or while either impaired by, under the influence of, or intoxicated by alcohol or other drugs.

Happy Hour Laws:
For the purposes of this digest, this is a statute or regulation that prohibits the sale of alcoholic beverages below the price per quantity normally charged for such beverages.

Vehicular Homicide:
This is the unlawful and unintentional death caused by a person while violating laws related to motor vehicle operation.

Illegal Per Se Law:
This law makes it a criminal offense to operate a motor vehicle: (1) at or above a specified alcohol concentration in the blood, breath, or urine; or (2) with any amount of a drug, usually a controlled (illegal) substance, in the body.

Implied Consent Law:
This type of law provides that a person gives implied consent to submit to a test for either an alcohol or drug content in his/her body if he/she is arrested or otherwise detained for a DWI offense. If the person refuses to submit to such a test, the law usually provides that his/her driving privileges will be either suspended or revoked. The results obtained from such a test are usually admissible into evidence at a DWI trial.
Intoxicating Liquor:
It is illegal to operate a motor vehicle while under the influence of “intoxicating liquor” (instead of under the influence of alcohol) in a number of States. However, the term "intoxicating liquor" is not defined in many of the State motor vehicle codes that provide for this type of impaired driving offense. Nevertheless, such terms usually refer to all types of alcoholic beverages (i.e., beer, wine, and distilled spirits). See the definitions of “alcoholic liquor,” “intoxicating liquor,” and “liquor” in Black's Law Dictionary, Eighth Edition, West Publishing Company.

Mandatory Sanctions:
A “mandatory sanction” means either a criminal sanction (e.g., jail, fine, or community service) or an administrative licensing action (e.g., license suspension or revocation) must be imposed by either a court or an administrative agency. That is, statutory law specifically requires that such sanction be imposed.

Preliminary Breath Test:
A “preliminary breath test” (PBT) refers to a breath test given by a law enforcement officer to a suspected impaired driver prior to an arrest for an impaired driving offense. The results of this test are used along with other evidence by the officer to determine if there is “probable cause” to arrest the driver for such an offense. Usually, the results of a PBT cannot be admitted into evidence.

Pre-Sentence Investigation Law:
As used in this publication, this term means a law that provides that a person who has been convicted of an impaired driving offense undergo an evaluation to determine if he/she has either an alcohol or drug abuse problem prior to sentencing.

Presumption:
The term “presumption” under “Basis for a DWI Charge” refers to a specific alcohol concentration in a driver's blood, breath, or urine at or above which it may be presumed that he/she was driving in violation of the "Standard

DWI
Offense."

Off-Highway Vehicles:
This digest does not report on State laws that prohibit the operation of non-highway vehicles (e.g., snowmobiles, all-terrain vehicles [ATVs], or other off-road vehicles [ORVs]) either while under the influence of alcohol or drugs or at or above a specific BAC.

Sanctions:
Unless otherwise stated, the sanctions are the same for all alcohol and drugged driving offenses (e.g., driving while under the influence of either alcohol or drugs, illegal per se, etc.). The sanctions listed in the digest for criminal offenses are those that would normally apply to adult offenders. However, it should be noted that for juvenile offenders, the law may limit a court's ability to assign such punishment. Such offenders also may be subject to other sanctions for a violation of criminal laws that may not be listed in this digest.

Nevertheless, this digest does report the sanctions (criminal or administrative) related to State laws that have special provisions that make it illegal for a young person (e.g., a person under 21) to operate a motor vehicle either (1) at or above a specific alcohol concentration, which is below the level used to determine adult intoxication; or (2) with any measurable amount of alcohol or drugs in his/her body.

However, the digest does not generally report the sanctions (criminal or administrative) associated with State laws that prohibit a person who is under the legal drinking age from consuming alcoholic beverages. Please note that the sanctions for fines listed in this digest do not include court costs.

State statutes or regulations concerned with impaired driving violations, i.e., DWI, typically include several major components: the basis for an offense; requirements for chemical breath tests for alcohol concentration; the adjudication of charges; sanctions; administrative licensing actions (applied pre- and post-conviction); and other criminal actions related to DWI. Details of State’s statutes or regulations pertaining to each of these components are provided in the State-by-State analysis of this document.

THE BASIS FOR A DWI CHARGE

The basis of a charge for driving while intoxicated for each State is established, by statute, to be the level of blood or breath alcohol content at or above which a person is presumed to be under the influence of alcohol. BAC, measured in grams per deciliter (g/dL), is the most accurate measurement of alcohol concentration in a person’s blood, and as such, the most reliable measure of alcohol impairment.

As of 2005, all States, the District of Columbia, and Puerto Rico had enacted illegal per se laws, making it illegal to operate a motor vehicle when the person’s BAC is at or above .08 g/dL. The basis for a DWI charge in each State also sets forth the conditions under which a person is presumed to be under the influence of alcohol, also set at or above .08 g/dL in all States. Lastly, the statutes in many States also provide for a determination of DUI when a person is found to have been under the influence of substances other than alcohol, e.g., any illegal or controlled substance which impairs one’s mental and/or physical faculties.

Several States have statutes establishing a lower BAC level for DWI for certain groups of individuals. For example, school bus drivers, day care vehicle operators, and people under the age of 21 in Alabama are presumed to be under the influence of alcohol if found to have a BAC at or above .02 g/dL.

SANCTIONS FOR FIRST and REPEAT OFFENDERS

Forty-two States and DC have administrative license revocation (ALR) laws, which provide for the administrative suspension of a driver’s license prior to conviction for DWI. The driver’s license is suspended by the States’ licensing agency prior to conviction for DWI when the driver’s BAC test result is found to be at or above .08 g/dL, or the driver refuses to submit to chemical testing.

First-time DWI offenders, upon conviction, are often subject to additional licensing sanctions (suspension or revocation), jail time, and/or fines, and can receive other sanctions such as community service, vehicle impoundment, alcohol education and treatment, etc., independent of the administrative license suspension or revocation that occurs prior to conviction. Information on the minimum sanctions that may be imposed upon first-time DWI offenders, upon conviction, in each State, is provided in the Key Provisions of State Impaired Driving Laws Summary Tables included in this document.

Under 23 Code of Federal Regulations (CFR) §1275, States are required to enact and enforce laws establishing minimum sanctions for repeat DWI offenders, to avoid the transfer of Federal-aid highway funds. A repeat offender is defined in 23 CFR §1275 (Repeat Intoxicated Driver Laws) as “…a person who has been convicted of DWI or DUI more than once in any five-year period.”

To avoid the penalty of the transfer of Federal-aid highway funds, States must enact and enforce laws providing the following as sanctions for second or subsequent DWI offenders: a minimum license suspension of 1 year; the impoundment, immobilization, or installation of an ignition interlock on a driver’s motor vehicle; an alcohol assessment and treatment as appropriate; and not less than 5 days of imprisonment or 30 days of community service.
Information on the sanctions that may be imposed in each State upon convicted repeat DWI offenders is provided in the Key Provisions of State Impaired Driving Laws Summary Tables, included in this document. Please also refer to the State-by-State analysis portion of this document for the entire range of sanctions for all DWI offenders.

HIGH-BAC OFFENDERS

A number of States have laws establishing enhanced sanctions for those DWI offenders considered to be high-BAC offenders, including increased jail time, longer suspension periods, use of ignition interlocks, higher levels of fines, etc. High-BAC offenders are defined by the States, with levels ranging from BACs of .10 to .20 g/dL or greater. Data indicate that offenders with high BACs are at greater risk than other impaired drivers of being involved in alcohol-impaired-driving fatal crashes. Specific information on enhanced sanctions for high-BAC offenders in each State is provided in the Key Provisions of State Impaired Driving Laws Summary Tables and the State-by-State analysis portion of this document.

SOBRIETY CHECKPOINTS

Sobriety checkpoints are used in many States as part of a comprehensive law enforcement approach aimed at reducing impaired driving by increasing the public’s perceived risk of being apprehended in violation of DWI laws. Sobriety checkpoints provide law enforcement officers with an opportunity to identify and assess drivers for the possibility of alcohol impairment at one or more established points on a roadway.

Moreover, they are designed to be highly visible, with the intention of serving as an impaired driving deterrent to the public. Vehicle checkpoint campaigns are often highly publicized. Vehicles are stopped during a sobriety checkpoint using a random pattern, such as every fourth or fifth vehicle. If law enforcement has reason to believe that the driver has been drinking, the driver is given the Standardized Field Sobriety Test, followed by chemical testing to determine whether the driver is impaired by alcohol and/or other drugs. While many States do not have statutes specifically pertaining to the use of sobriety checkpoints, most permit their use. Please refer to the Key Provisions of State Impaired Driving Laws Summary Tables and to the State-by-State analysis portion of this document for details on legislation and case law governing the use of sobriety checkpoints in specific States.

IGNITION INTERLOCKS

Under certain conditions, DWI offenders in all 50 States and DC may be required to equip their vehicles with ignition interlock devices. When an ignition interlock is installed on a vehicle, the driver breathes into the device, which analyzes the driver’s breath and prevents the vehicle’s engine from starting if the breath sample registers at or above a preset level, typically .02 g/dL. The installation of an ignition interlock device is mandatory upon conviction for DWI in some States and discretionary in other States.

For the purposes of this document, a State’s ignition interlock statute is characterized as “permissive” if it provides for the installation of an ignition interlock as an option in DWI sentencing, either in lieu of, or in addition to other sanctions (jail, fines, community service) or “mandatory” if the installation of an ignition interlock device is required for DWI offenders. States typically grant the authority to impose an ignition interlock sanction to either the judiciary or the administrative agency responsible for licensing. In some cases, this authority is shared, depending on the specific DWI offense. In these cases the digest labels the sanction as a “hybrid” sanction. Specific information regarding ignition interlock laws in each State is provided in the Key Provisions of State Impaired Driving Laws Summary Tables, and the State-by-State analysis portion of this document.

SOCIAL HOST VIOLATIONS

Social host laws assign criminal or civil responsibility for providing alcohol to those
persons obviously intoxicated and, in so doing, endangering their lives and/or the lives of others. These laws also address the provision of alcohol to those under the minimum legal drinking age of 21 and, in so doing, endangering the welfare of minors. While the definition of a social host and the laws governing them vary from State to State, many States have laws establishing enhanced sanctions for violating social host laws, particularly in cases where those to whom the alcohol was served are subsequently involved in motor vehicle crashes resulting in fatality or injury. Please refer to Key Provisions of Impaired Driving Laws Summary Tables and the State-by-State analysis of this document for details regarding such legislation in each individual State.

OTHER CRIMINAL ACTIONS RELATED TO DWI

Most States also have laws defining other specific criminal actions related to DWI under certain circumstances or conditions. Actions such as vehicular homicide, driving while one’s license is suspended for DWI, and operating a commercial motor vehicle while under the influence are among those considered to be criminal actions related to DWI. Drivers found to be in violation of laws pertaining to other criminal actions related to DWI are often subject to enhanced sanctions, including, but not limited to: license revocation, jail time, and vehicle forfeiture. Details regarding the specific actions considered to be criminal related to DWI and the sanctions associated with these actions are provided in the State-by-State analysis of this document.

Summary Charts of Key Provisions of State Impaired Driving and Selected Beverage Control Laws

Summary Chart Notes:

a. Key provisions of State statutes or regulations concerned with impaired driving violations, e.g., driving while intoxicated (DWI, also referred to as driving under the influence [DUI]). Provisions of local laws are NOT reported.

b. Impaired driving offenses are “non-legal” terms that refer to any criminal action related to driving a motor vehicle either while illegal per se or while impaired by, under the influence of, or intoxicated by alcohol or other drugs.

c. All 50 States, the District of Columbia, and Puerto Rico have “illegal per se” laws defining driving with a BAC at or above 0.08 as a crime.

d. Laws in most States provide for mandatory minimum jail terms and fines. Laws in many States also include community service and/or restitution as a sanction. Several States also assess fees, mandate alcohol/drug therapy, place offenders on probation, or require training as additional sanctions. Please refer to the State-by-State analysis for details regarding the specific sanctions used in individual States.

e. A repeat offender is defined in 23 CFR Part 1275-Repeat Intoxicated Driver Laws as “…a person who has been convicted of DWI or DUI more than once in any five-year period.” Please refer to the State-by-State analysis for details regarding the specific sanctions used in individual States. For this table, the sanctions listed are for a second offense. Please refer to the State-by-State analysis for details regarding sanctions for subsequent offense beyond a second offense.

f. Laws in a number of States provide for enhanced sanctions for drivers with a high BAC, i.e., a BAC test result at or above an amount (e.g., 0.15, 0.16, 0.20 or greater) specified in the State’s statute at the time of arrest. The sanctions listed may be imposed in addition to jail time and fines, where not specifically stated. Please refer to the State-by-State analysis for details.

g. Under a State’s administrative license revocation (ALR) statute, a driver’s license can be suspended or revoked, prior to conviction, if the driver is found to have a BAC level of .08 or greater (administrative per se) or refuses to submit to chemical testing for DWI.

h. Forty-two States and the District of Columbia have administrative per se laws, which allow the driver’s license to be suspended or revoked, prior to conviction, if the driver fails a BAC test or refuses to take a BAC test.

i. Please refer to the State-by-State analysis for detailed information on other sanctions in individual States.

j. Although most States do not have specific statutes that establish “high-BAC,” many States do have statutes providing for graduated levels of sanctions when DWI offenders are found to have BAC levels above 0.08, such as at 0.15, 0.16, 0.20 or greater. In these cases, an inference has been made as to what is considered as a “high-BAC” level for each individual State, which is shown here.

**Summary Chart Notes:**

\(^a\) Key provisions of State statutes, regulations, or laws concerned with impaired driving, i.e., driving while intoxicated (DWI) and/or driving under the influence (DUI). Provisions of local laws are NOT reported. Refer to the State-by-State analysis of this document for details regarding the laws for each individual State.

\(^b\) All 50 States and the District of Columbia have laws (illegal per se) making it a crime to operate a motor vehicle with a blood alcohol concentration (BAC) at or above 0.08.

\(^c\) Sobriety checkpoints are used as a law enforcement strategy aimed at deterring impaired driving (DWI or DUI) by increasing the public’s perceived risk of being caught in violation of State impaired driving laws. For this table, “Permitted” indicates that the State either has statutory authority for the use of checkpoints and/or the use of checkpoints has been upheld in court under the Federal and/or State Constitution. “Prohibited” indicates that the State does not have a statute providing authority for the use of checkpoints and/or does not allow State and local law enforcement to use them.

\(^d\) Under certain conditions of DWI/DUI offenders’ convictions in many States, their vehicles may be equipped with an ignition interlock device as a penalty. The driver breathes into the ignition interlock device, which analyzes the driver’s breath and prevents the engine from starting if the breath sample registers at or above a preset level, typically .02.

\(^e\) Social Host laws are those State laws assigning criminal or civil responsibility for providing alcohol to those under the minimum legal drinking age of 21 and in so doing endangers the welfare of minors. The definitions of social hosts and the laws governing them vary from State to State. Refer to the State-by-State analysis of this document for details regarding such legislation in each individual State.

\(^f\) The term “permissive” is used to describe a State’s statute that provides for the use of an ignition interlock as an option in DWI sentencing, either in lieu of or in addition to other sanctions (jail, fines, community service). “Mandatory” is used to describe a State’s statute that requires the use of an ignition interlock for DWI offenders. Refer to the State-by-State analysis of this document for details regarding the laws for each individual State.

**Summary Chart Notes**

\(^a\) Key provisions of State statutes, regulations, or laws concerned with impaired driving, i.e., driving while intoxicated (DWI) and/or driving under the influence (DUI). Provisions of local laws are NOT reported. Refer to the State-by-State analysis of this document for details regarding the laws for each individual State.

\(^b\) All 50 States and DC have laws (illegal per se) making it a crime to operate a motor vehicle with a blood alcohol content (BAC) at or above 0.08.

\(^c\) For the purposes of this table, “Permitted” indicates that the State either has statutory authority for the use of checkpoints and/or the use of checkpoints has been upheld in court under the Federal and/or State Constitution. “Prohibited” indicates that the State does not have a statute providing authority for the use of checkpoints and/or does not allow State and local law enforcement to use them.

\(^17\) At specific cut-off levels for cocaine, methamphetamine, PCP or MDMA (ecstasy). Please refer to the State-by-State digest for prohibited levels in the body.

\(^18\) For THC with a concentration of 5.00 or higher in the person’s blood.

19 In Ex Parte Buckner, 549 So.2d 451, 454 (Ala. 1989), the Alabama Supreme Court held that the term “under the influence of alcohol” means “having consumed such an amount of alcohol as to affect his ability to operate a vehicle in a safe manner.”
20Standard: Percentage of alcohol by weight in the blood. However, the law defines this as grams of alcohol per 100 cubic centimeters of blood or grams of alcohol per 210 liters of breath. Ala. §32-5A-194(a)(5). This definition, therefore, establishes the illegal per se law based on breath.
Pre-Sentencing Investigation Law (PSI) (Yes/No):
Yes – only for felony DUI (4th or subsequent conviction within 5 years) Ala. §13A-5-5.

**Prior Drunk-Driving Felony Offenses:** A person (1) who has been convicted of a drunk-driving offense (injury or non-injury offense) with a **prior conviction** either for a **felony** drunk-driving offense (injury or non-injury) or for a **felony** vehicle manslaughter offense related to drunk-driving with gross negligence; or (2) who has been convicted of a drunk-driving offense (injury or non-injury offense) with a **prior conviction** for a “gross vehicular manslaughter while intoxicated” offense or for a **felony** vehicle manslaughter offense related to drunk-driving **without** gross negligence is subject to the following sanctions: (A) Incarceration in either a county jail or State prison for not more than 1 year (or incarceration in the county jail from 180 days to 1 year if
probation is granted) (either 48 consecutive hours or 10 days of community service are mandatory); (B) a fine of not less than $390 nor more than $1,000; and (C) unless a longer period would otherwise apply, license revocation for 4 years (24 months mandatory with restricted driving after this period provided the offender participates in either an 18-or 30-month alcohol rehabilitation program). Cal.Vehicle Code §§13352(a)(7); 23550.5; 23552; 23580; 23600.

Test Fee: The counties are authorized to impose on defendants a fee of not more $50 for conducting an alcohol chemical test. Cal.Penal Code §1463.14.

EMS Cost: A person may be held liable for the cost of an emergency response that resulted from the negligent operation of a motor vehicle while under the influence of either alcohol or drugs. Cal.Govt. Code §53150 et seq; Cal.Penal Code §1203.1(l). The law does not specifically require a DWI offense conviction as a condition of liability.

Alcohol Program Assessments:
I. A person convicted of a DWI offense must pay an assessment, not to exceed $50, for the purpose of funding alcohol abuse education and prevention programs. Cal.Vehicle Code §23645(a).
II. A fee of not more than $100 may be assessed against a person convicted of a DWI offense in counties participating in an alcohol and drug assessment program, and an assessment not to exceed $100 may be imposed for PSI alcohol/drug evaluation. Cal.Vehicle Code §23649.

Special State Penalty (Fine): An additional State penalty of $10 is assessed against every defendant for every $10 of a fine (or fraction thereof) actually imposed and paid by a defendant. Cal.Penal Code §§1463(l)(2); 1464(a).

Special County Penalty (Fine): An additional county penalty of $7 is assessed against every defendant for every $10 of a fine (or fraction thereof) actually imposed and paid by a defendant. Cal.Gov. Code §76000; Cal.Penal Code §1463(l)(2). As a condition of probation the court may require the defendant to pay costs of probation investigation, incarceration, and provision of parole supervision. Cal.Penal Code §§1203.1b; 1203.1c; 1203.1e.

Drunk Driver Visitation Program (Persons Under 21): For a first DWI non-injury offense or a violation of Cal.Vehicle Code §23140, a person, with his consent and as part of his probation, may be ordered by the court to visit trauma or hospital facilities to observe victims of accidents.
where alcohol was involved. In order to participate in this program, persons under 21 must agree not to drink alcoholic beverages until they are 21. Cal.Vehicle Code §23509, et seq.

**Home Detention:** DWI offenders are eligible for “home detention” as an alternative to imprisonment. This alternative includes “home detention” for certain minimum mandatory jail sentences. However, the mandatory sanctions for multiple DWI offenders under Cal.Vehicle Code §23580 (48 continuous hours or 10 days of community service) apply nevertheless. Cal.Penal Code §1203.016.

**Juvenile Offenses Involving Alcohol:**
Under Cal.Vehicle Code §23136, it is unlawful for a person under 21 to operate a motor vehicle with a BAC of .01% or higher. (“Zero Tolerance”)

Under Cal.Vehicle Code §23140, it is unlawful for a person under 21 to operate a motor vehicle if having a BAC ≥.05. Offenders convicted of Cal.Vehicle Code §23140 who are at least 18 participate in an alcohol program for at least 3 months consisting of a minimum of 30 hours of activities (e.g., education, group counseling and individual interview sessions). Cal.Health & Safety Code §§11836; 11837(c)(1); Cal.Vehicle Code §§13352.6; 23502.

**Administrative Licensing Actions:**

**Pre-DWI Conviction:**

ALL persons < 21 are subject to administrative license suspension if operating a motor vehicle with a BAC ≥ .01; but may receive restricted license instead of suspension with a showing of a critical need to drive and no prior DUI convictions, and the person's driving privilege has not been suspended or revoked under DUI provisions. Cal.Vehicle Code §13353.8.

A person under 21 who violates the regular DWI laws must also participate in either an alcohol education or rehabilitation program. Also, if such person fails to complete such programs, the license may be either suspended or revoked until either the person shows proof of completion or reaches 21. Cal.Vehicle Code §23520.

A person who has been convicted of any DWI offense and who has also “willfully refused” to submit to a chemical test is subject to the following sanctions:

**DWI non-injury offenses:**
First offense – if probation is granted, the court must use the following sentence structure: mandatory 48 hours in jail, a fine of not less than $390 and a 6-month license suspension;
Second offense – 96 hours in jail (mandatory);
Third offense – 10 days in jail (mandatory);
Fourth and subsequent offenses – 18 days in jail (mandatory).

**DWI injury offenses:**
First offense – 48 continuous hours in jail (mandatory);
Second offense – 96 hours in jail (mandatory)

**Persons 21 and Above – BAC ≥ .08 or Persons Under 21 – BAC ≥ .05/.01:**

First violation: Suspension 4 months (mand for persons under 21). A person 21 and above who participates in an alcohol education or treatment program is subject to a mandatory license suspension for 30 days followed by restricted driving privileges, except as noted, for 60 days for the purpose of either participating in the program or going to and from a place of employment. Following successful completion of the program, “unrestricted” driving privileges may be granted after the 60-day restricted driving privileges. However, if the restricted license is used to go to and from a place of employment, the suspension with restrictions must be for 6 months. Cal.Vehicle Code §§13353.3; 13353.7.

Second and subsequent violations: (within 10 years)

Suspension 1 year (mand).

Cal.Vehicle Code §§13353.2; 13353.3; 13353.4(a); 13382.

Under separate provisions of law, persons under 21 are subject to a suspension for not less than 1 year (30 days mand) if a “preliminary breath test” or “other chemical test” result indicates a blood alcohol concentration ≥ .01. After the mandatory suspension period, restricted driving privileges are available based upon a critical need to drive. Cal.Vehicle Code §§13353.3(b)(3); 13353.8; 23136.

**Post DWI Conviction:**
Type of Licensing Action (Susp/Rev): Suspension or Revocation

101 Based upon a person driving with a blood alcohol concentration ≥ .05 based on “percent by weight” of alcohol in the blood, with an alcohol concentration of .01 based on a preliminary breath test or “other chemical test.” Cal.Vehicle Code §13353.2(a).
102 For purposes of determining whether a license sanction enhancement should be imposed, the following convictions are considered prior violations: any DWI offense; vehicular homicide; refusal to submit to a chemical test; and a previous admin. per se violation (appears to include any previous type of admin. per se action). Cal.Vehicle Code §13353.3(b)(2).
103 If a person is “acquitted” of DWI charges associated with the admin. per se violation, the admin. per se suspension is cancelled and the driver’s license is reinstated. Cal.Vehicle Code §13353.2(e). But “dismissal” of DWI charges is not the same as “acquittal” of such charges and will not result in license reinstatement. See Gikas v. Zolin, 863 P.2d 745 (Cal. 1993).
104 Admin. per se suspensions and DWI suspensions/revocations are to run concurrently. The total period of license suspension/revocation shall not exceed the longer of the two periods. Cal.Vehicle Code §13353.3(c).
105 Administrative suspensions are “independent” of licensing actions taken via convictions for DWI offenses. e.g., a mandatory suspension of 1 year for a second admin. per se violation will apply notwithstanding a court order allowing restricted driving privileges for a second DWI (non-injury) offense conviction. Robertson v. Dept. of Motor Vehicles, 9 Cal.Rptr.2d 319 (Cal.App. 1Dist., 1992).
Postponement of Licensing Action: If an offender is sentenced to serve 1 year in the county jail or more than 1 year in prison, the court may postpone the imposition of either a suspension or revocation until the offender is released from incarceration. Cal.Vehicle Code §23665.

Non-Injury DWI Offense (with no previous DWI offenses) – Suspension – 6 months. Cal.Vehicle Code §§13352(a)(1); 23536.

Non-Injury DWI Offense (with one previous DWI offense) – Suspension - 2 years. Cal.Vehicle Code §§13352(a)(3); 23540.

Non-Injury DWI Offense (with two previous DWI offenses) – Revocation - 3 years. Cal.Vehicle Code §§13352(a)(5); 23546(a).

Non-Injury DWI Offense (with no previous DWI offenses)  – 6 months. Cal.Vehicle Code §§13352; 13352.5; 23538; Cal.Health & Safety Code §11837(a), (c), (d).

106 If a person is involved in an accident and has a BAC ≥ .08 and has been convicted of a DWI-related vehicle homicide (within 5 years), the license shall be either suspended or revoked as follows: (1) If the accident does not result in a DWI conviction (either injury or non-injury) – suspension for 1 year (mandatory); and (2) if the accident results in a DWI conviction (either injury or non-injury) – revocation for 3 years (mandatory). This revocation period is concurrent with any other DWI imposed restriction, suspension or revocation if this is a first DWI conviction or a second conviction within 5 years. This revocation period is cumulative with any other DWI imposed restrictions, suspension or revocation if there have been two or more previous DWI convictions within 5 years. Cal.Vehicle Code §13954.

There are two provisions of the California Vehicle Code that provide for special licensing sanctions against minors who violate the DWI laws. I. Under Cal.Vehicle Code §13352.3, a person who is < 18 and who is convicted of an alcohol driving offense is subject to a license revocation until 18 for 1 year, or per Cal.Vehicle Code §13352 whichever period is longer. II. Under Cal.Vehicle Code §13202.5, a person who is ≥13 but < 21 and who is convicted of a DWI (alcohol or drugs) offense or of a vehicle manslaughter offense is subject to a license suspension for one year. However, such person may be eligible for restricted driving privileges based on "a showing of a critical need to drive" (Cal.Vehicle Code §13202.5(c)).

107 Driving privileges may be restricted for 90 days under certain probation conditions. Cal.Vehicle Code §§13352; 13352.5; 23538; Cal.Health & Safety Code §11837(a), (c), (d).

108 Restricted driving privileges may be granted after a defendant enrolls in or completes an alcohol rehabilitation program. This does not apply if they were operating certain types of heavy trucks or buses at the time of the offense. Alternatively, the defendant may be granted a restricted license after a 12-month suspension if enrolled in an alcohol treatment program and have an ignition interlock device installed on the vehicles. Cal.Vehicle Code §§13352(a)(3); 23542(b); Cal.Health & Safety Code §11837.
Injury-Related DWI Offense (with no previous DWI offenses) – 18 months \{12 months with ignition interlock\}. Injury-Related DWI Offense (with one previous DWI offense) – 18 months \{12 months with ignition interlock\}. Injury Related DWI Offense (with two or more previous DWI offenses) – 18 months \{12 months with ignition interlock\}. Cal.Vehicle Code §13352.

Other:
Rehabilitation:
Alcohol Education:
Conditions of probation, which normally provide for a reduced period of incarceration, usually require a defendant to participate in an alcohol education/rehab program for any DWI conviction.\(^{109,110}\) Cal.Vehicle Code §§23538 \textit{et seq.}; 13352. The court may also require a “driving under the influence” program for 18 or 30 months. Cal.Vehicle Code §23552. A person convicted of a first DWI offense in a juvenile court must participate in and complete either an alcohol or drug education program. Cal.Vehicle Code §§23538; 23556; Cal.Health & Safety Code §11837(a) (c),(d).

Substance Abuse Treatment:
Vehicle Impoundment/Confiscation:
Authorized by Specific Statutory Authority:

Impoundment: \(^{111}\) A vehicle owned and driven by the offender may be impounded as follows for a DWI offense (non-injury/injury):
First offense – The court \textit{may} order impoundment for not less than 1 day or more than 30 days;
Second offense (within 5 years) – The court \textit{shall} order impoundment for not less than 1 day or more than 30 days;
Third or subsequent offense (within 5 years) – Not less than 1 day or more than 90 days. Cal.Vehicle Code §23594.

Impoundment II: The vehicle owned and driven by the offender may be impounded as follows for a DWI or other offense, as listed in the statute:
First offense – Not more than 6 months;
Subsequent offense – Not more than 12 months.

Forfeiture: A defendant’s vehicle may be subject to

\(^{109}\) However, in lieu of the more traditional alcohol and drug education and treatment programs, an offender, again as a condition of probation, may be allowed to participate in a special “live-in alternative.” This alternative focuses on substance abuse users and requires them to live full time at a special facility. Cal.Penal Code §8001.

\(^{109}\) First offenders who have been placed on probation and at the time of the offense had a BAC ≥ .20 or refused to submit to a chemical test must be placed in an alcohol education/counseling program for at least 6 months. Cal.Health & Safety Code §11837(c)(2). The same holds true for those who plead guilty or nolo contendere to a reckless driving charge in lieu of DWI. Cal.Vehicle Code §23103.5.

\(^{111}\) Under this impoundment/forfeiture law, no vehicle may be impounded or forfeited if another person has a community property interest in the vehicle and if it is the sole vehicle available to the defendant's immediate family. Cal.Vehicle Code §§23594; 23596. Additionally, it appears that Cal.Vehicle Code §23594 concerns DWI offenses only. Whereas, Cal.Vehicle Code §23592 lists DWI offenses along with other types of offenses that would trigger impoundment.
Terms Upon Which Vehicle Will Be Released:

Other:
Temporary Impoundment: A law enforcement officer may “remove” from the highway any vehicle driven by a person who has been taken into custody or by a person under 21 who has been issued a notice of license suspension for operating a motor vehicle with a BAC \( \geq .01 \). The vehicle may be released to the legal owner upon the payment of towing and storage charges. Cal.Vehicle Code §22651.

Misc. Sanctions Not Included Elsewhere:
For the purpose of imposing enhanced sanctions, the court shall consider whether the offender’s blood alcohol level was \( \geq .15 \), the person refused to submit to a test under the implied consent law. Cal.Vehicle Code §23578.

Ignition Interlock:
Permitted or Prohibited: Permitted
Type of Law (Mandatory or Permissive): Both
Sanction (Judicial, Administrative or Hybrid): Hybrid
Conditions of Use: A court may order a first offender convicted of a DWI offense to operate only motor vehicles equipped with ignition interlock devices for not more than 3 years from the date of conviction. For first offenders with a BAC of .15 or greater, the court shall take into consideration the results of a county alcohol and drug problem assessment in determining the term. Cal.Vehicle Code §23575(a), (f)(1).

Additionally, if an offender convicted of a subsequent offense is granted restricted driving privileges, the licensing agency must require that offender to operate only motor vehicles equipped with ignition interlock devices. Cal.Vehicle Code §13352(a).

Persons required to drive vehicles equipped with ignition interlock devices who drive without such device are considered to have driven without a license and may be immediately arrested, with vehicle impoundment for 30 days. Cal.Vehicle Code §14602.6(a)(1).

Other Provisions:
Persons required to drive vehicles equipped with ignition interlock devices who drive without such device are considered to have driven without a license and may be immediately arrested, with vehicle impoundment for 30 days. Cal.Vehicle Code §14602.6(a)(1).

112**Implied Malice.** Under certain circumstances, in situations where a person has been killed by an intoxicated driver, evidence of voluntary intoxication can be introduced as evidence of implied malice in a second degree murder case against the driver. Additionally, an offender could be charged with murder upon facts exhibiting wantonness and a conscious disregard for life to support a finding of implied malice. Cal.Penal Code §§29.4; 188; 191.5 (e); People v. Watson, 637 P.2d 279 (Cal. 1981).

113If more than one individual has been killed, an enhanced prison term of one year is added for each victim. The maximum number of such enhancements is three. Cal.Vehicle Code §23558.

114This is the unlawful killing of a human being without malice aforethought, in the driving of a vehicle, where the driver was intoxicated and the killing was either a proximate result of the commission of an unlawful, but non-felonious act and with gross negligence, or the proximate result of the commission of an unlawful act that might produce death, in an unlawful manner, and with gross negligence. Cal.Penal Code §191.5(a).

115**Subsequent Offenses:** A defendant convicted of this offense is subject to imprisonment from 15 years to life, if that person had a prior vehicle manslaughter offense with gross negligence, a prior vehicle-intoxicated manslaughter offense without gross negligence, a prior injury-related drunk-driving offense or a drunk-driving offense that was punished as a second or subsequent offense. Cal.Penal Code §191.5(d).

116This is the same as gross vehicular manslaughter except there is no gross negligence. Cal.Penal Code §191.5(b).

117**Gross vehicle manslaughter while intoxicated is not** a lesser-included offense of murder. As a result, a person can be tried for both offenses. People v. Sanchez, 16 P.3d 118 (Cal. 2001).
Vehicles (CMV)/Commercial Driver's Licenses (CDL): mandatory year (3 years if transporting hazardous materials) if convicted of driving a CMV while under the influence of alcohol or a controlled substance. For a subsequent conviction of driving a CMV while under the influence of alcohol or a controlled substance, a person is prohibited from operating such a vehicle for life. A person who refuses to submit to a chemical test while operating a CMV is subject to licensing sanctions, including license sanction enhancements) under the implied consent law; however, if transporting hazardous materials, the suspension is for 3 years (mand). Cal.Vehicle Code §§15300; 15302.

A CMV operator must be placed “out-of-service” for 24 hours if that person has a BAC ≥ .01. A CMV operator commits a DWI offense by operating a CMV with a BAC/BrAC ≥ .04; a conviction for this offense subjects the offender to the same sanctions as would a conviction for any other DWI offense. Cal.Vehicle Code §§23152(d); 23153(d); 34501.15(a).

A person who has been injured in a traffic accident caused by an intoxicated CMV operator may recover treble damage from the operator's employer if the employer has “willfully failed” to comply with Federal CMV regulations related to alcohol use and controlled substances testing. Cal.Civ. Code §3333.7(a); Cal.Vehicle Code §34520(a).

Type of Licensing Action (Susp/Rev):

2 points are assigned to the driving record. Cal.Vehicle Code §12810(e)

118 A previous offense includes not only a prior conviction under Cal.Vehicle Code §14601.2, but also a violation of Cal.Vehicle Code §14601 (which prohibits driving after a license has been suspended or revoked for a reckless driving offense), Cal.Vehicle Code §14601.1 (the general prohibition against driving while a license is either suspended or revoked) and Cal.Vehicle Code §14601.5.

119 If a defendant injures a person while violating this law, they must also serve this mandatory minimum imprisonment term. i.e., they cannot receive work release, community service or other similar programs. Cal.Vehicle Code §14601.4.
**Withdrawal Action:**

**Mandatory Term of License Withdrawal Action:**

- **Subsequent offense** within 5 years \(^{121}\) – Not less than 10 days (mand) or more than 1 year and not less than $500 or more than $2,000. Cal.Vehicle Code §14601.5.

However, the vehicle is not subject to forfeiture if there is a community property interest in the vehicle and it is the “only vehicle available to the driver’s immediate family.” Cal.Vehicle Code §14607.6.

**Habitual Traffic Offender Law:**

- **State Has Such a Law (Yes/No):** Yes
- **Grounds for Being Declared an Habitual Offender:**
  - A person is a “habitual traffic offender” for a period of 3 years, if that person: (1) commits a DWI-related vehicle homicide within 7 years of two or more separate violations of DWI offenses or reckless driving; (2) commits a DWI non-injury or injury offense and has two or more previous DWI offenses; (3) is sanctioned under Cal.Vehicle Code §23550 because that person has prior drunk driving felony offenses; or (4) accumulates a “driving record” \(^{122}\) while operating a vehicle when the license is either suspended or revoked. \(^{123}\)

- **Term of License Revocations While Under Habitual Offender Status:** 1 year and proof of financial responsibility.
- **Type of Criminal Offense if Convicted on Charges of Driving While on Habitual Offender Status:** Misdemeanor
- **Sanctions Following a Conviction of Driving While on Habitual Offender Status:**

\(^{120}\) This fine is usually mandatory. However, the court may reduce this fine in the “interests of justice.” Cal.Vehicle Code §14601.5(e).

\(^{121}\) A previous offense includes a violation of Cal.Vehicle Code §14601 (which prohibits driving after a license has been suspended or revoked for a reckless driving offense), Cal.Vehicle Code §14601.1 (the general prohibition against driving while a license is either suspended or revoked) and Cal.Vehicle Code §14601.2 (which prohibits driving while a license is either suspended or revoked for a drunk driving offense).

\(^{122}\) A “driving record” consists of any one of the following: (1) Two or more convictions for 2 point violations within 12 months; three or more convictions for 1 point violations within 12 months; (3) three or more “reportable” accidents within 12 months; or (4) any combination of convictions/accidents which results in 3 points within 12 months. Cal.Vehicle Code §14601.3(a).

\(^{123}\) A declaration of “habitual offender status” on this basis automatically means a person may be subject to criminal sanctions.
Imprisonment (Term)/Fine:

For “habitual traffic offender” status based on vehicle homicide or DWI offenses: 180 days imprisonment and a fine of $2,000.\(^{124}\) Cal.Vehicle Code §14601.3(e)(3).

For “habitual traffic offender” status based on vehicle operation while suspension/revocation and after accumulating a “driving record”:

First offense – 30 days and a fine of $1,000;

201 The court in its discretion may require a defendant to serve all or any part of a sentence of imprisonment for a DWI offense in an alcohol or a drug residential treatment program. F.S.A. §316.193(6)(k).

Administrative Licensing Actions:
Pre-DWI Conviction:
Administrative Per Se Law:
Yes ≥ .08 BAC/BrAC F.S.A. §§316.193; 322.2615(1)(a).
A violation – Suspension 6 months (30 days mand). A restricted hardship license may be issued after this mandatory period.
A violation where there have been two or more DWI offenses

---

202 The court must find that the defendant has the present ability to pay the fine and the impact of the fine on the defendant’s dependents will not cause such dependents to become dependent upon public welfare. F.S.A. §775.0835(1).
Persons Under 21 – ≥ .02 BAC/BrAC:

First violation – Suspension 6 months (30 days mand);
Subsequent violations – suspension 1 year (30 days mand).

If BAC/BrAC is ≥ .05, the suspension remains in effect until the driver completes a substance abuse course.
F.S.A. §322.2616(1)(a), (2), (9), (11).

Under F.S.A. §§322.27; 322.28(1), a person’s license may be suspended for not more than 1 year if driver has “committed” an offense that usually requires license revocation (e.g., DWI). Such action may be taken without a preliminary hearing and could occur prior to a conviction.

Post DWI Conviction:

Type of Licensing Action (Susp/Rev):

Term of Withdrawal (Days, Months, Years, etc.):

Revocation204 F.S.A. §322.28.

First conviction – Not less than 180 days or more than 1 year;
Second conviction (within 5 years) – Not less than 5 years;
Third conviction (within 10 years) – Not less than 10 years;
Fourth conviction – Permanent. F.S.A. §322.28(2)(a), (d).

Revocation is permanent if there is an alcohol offense in connection with a vehicle manslaughter/homicide offense.
F.S.A. §§322.26; 322.28(3).

First offense – 180 days;
Second offense (within 5 years) – 12 months;
Third offense (within 10 years) – 24 months;
Fourth offense – 5 years. F.S.A. §§322.271(2)(b); 322.28.

Yes – A substance abuse course/alcohol treatment program is required for a defendant convicted of any DWI offense.
F.S.A. §§316.193(5); 322.291. Such a course must be successfully completed by defendants who have been convicted of two DWI offenses (within 5 years) or 3 such offenses (within 10 years) before the license can be restored.
F.S.A. §322.03(2).

203The “actual” suspension period appears to be only 11 months. The law provides that a person be issued a 30-day temporary license at the time of arrest. However, since the law also provides that the suspension “commences” at the time of arrest or issuance of the notice, “whichever is later” the person may only be denied driving privileges for 11 months. F.S.A. §322.2615(10)(b). Unlike the mandatory suspension associated with an admin. per se violation where there has not been a prior drunk-driving offense, the law does not provide that the mandatory suspension period start after the expiration of the 30-day temporary license.

204This revocation applies to both non-injury and injury-related DWI offense convictions. F.S.A. §322.28(2).

205A temporary restricted use license for business/employment may be issued. Generally, a person must have completed a substance abuse course prior to being issued this type of license. F.S.A. §322.271(2)(a).

206After this period of time, a restricted occupational license may be issued. Before such restricted driving privileges are granted, the person must demonstrate that he/she has been drug-free for 12 months. F.S.A. §322.271(2)(b).
Substance Abuse Treatment: If BAC/BrAC is >.05, drivers < 21 must complete a substance abuse course. F.S.A. §322.2616(2)(c).

Vehicle Impoundment/Confiscation: Yes (Limited) – A DWI offender's vehicle is subject to forfeiture, if at the time of the DWI offense, that person was driving on a suspended or revoked license for a prior DWI driving offense. F.S.A. §§322.34(9)(a); 932.701(2)(a)(9).

Terms Upon Which Vehicle Will Be Released: None

Misc. Sanctions Not Included Elsewhere: Impoundment or Immobilization:
First offense – 10 days; 207
Second offense (within 5 years) – 30 days; 208
Third offense (within 10 years) – 90 days.
F.S.A. §316.193(6).

Note: The court may decide not to order vehicle impoundment or immobilization if the family of the vehicle owner “has no other public or private or public means of transportation.” F.S.A. §316.193(6)(g).

Medical Facility Visitation Requirement: A DWI offender under 18 may be ordered by the court to visit medical facilities that treat victims of traffic accidents. F.S.A. §322.0602.

Probation Requirements: A court, under its general probation powers, may require a person convicted of a DWI offense to place a bumper sticker on his vehicle that identifies him as a convicted DWI offender who is operating a motor vehicle on a restricted license, or to place, at his own expense, an advertisement in a local newspaper along with their photograph that identifies them as DWI offender. These probation conditions have been held to be constitutional under both the Federal and State constitutions. Goldschmitt v. State, 490 So.2d 123 (Fla.App.2 Dist. 1986) (upholding the use of a bumper sticker); Lindsay v. State, 606 So.2d 652 (Fla.App.4 Dist. 1992)(upholding the requirement to place an ad in a local newspaper). Such a condition can also require a person to abstain from the use of alcohol. Spry v. State, 750 So.2d 123 (Fla.App.2 Dist. 2000).

This action is a condition of probation and must not occur concurrently with incarceration. F.S.A. §316.193(6)(a).
208 Applies to all vehicles owned by the offender. The term is 30 days or for the unexpired term of a rental or lease agreement that expires within 30 days. This action may not be concurrent with incarceration, but must be concurrent with the driver's license revocation. F.S.A. §316.193(6)(b), (c).

F.S.A. §316.1933(2)(a).1

214 This law limits liability to damages caused by selling or furnishing alcoholic beverages to persons under the legal drinking or by knowingly serving alcoholic beverages to persons who are habitually addicted to alcohol. *Peoples Restaurant v. Sabo*, 591 So.2d 907 (Fla. 1991). Note: Regarding injuries caused by a minor, the injured party must prove that alcoholic beverages were “willfully and unlawfully” served to the minor by the licensee. For injuries caused by a habitual drunkard, the injured party must prove that alcoholic beverages were only “knowingly” served by the licensee. Also, service on multiple drinks on one occasion is not sufficient to establish that a patron was a habitual drunkard. However, serving multiple drinks on numerous occasions is circumstantial evidence of such behavior. *Ellis v. N.G.N. of Tampa*, 586 So.2d 1042 (Fla. 1991). Additionally, liability does not apply in situations where injury causing habitual drunkards are sold alcoholic beverages in closed containers. Liability only occurs if such persons are served alcoholic beverages for consumption on the premises. *Persen v. Southland Corp.*, 656 So.2d 453 (Fla. 1995).

215A licensee may be held liable for the actions of an intoxicated minor to whom he/she has not sold alcoholic beverages. 219 Standards: Grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath. OGCA §40-1-1(1)

220 Except as noted, the sanctions for this offense are the same as for any other drunk-driving offense.

221 The courts have held that OGCA §40-6-391 establishes one offense namely that of “driving under the influence.” Subsection (a)(1), the standard DWI offense, and subsequent section (a)(5), the .08 illegal per se offense, represent two different methods of proving this “one” offense. Kuptz v. State, 345 S.E.2d 670 (Ga.App. 1986).

222 Law enforcement officers are using preliminary breath testing devices without express legislative authorization. However, OGCA §40-6-392(f) provides for the use of a self-authenticating certificate with regard to the inspection of a breath-test instrument. Further, the Georgia Supreme Court has held that the implied consent statute did not apply to an initial alcohol screening test used to determine probable cause to arrest drunk drivers and, thus, a law enforcement officer is not required to advise a defendant of his right to an independent alcohol level test before requiring the defendant to undergo a preliminary screening test. Keenan v. State, 436 S.E.2d 475 (Ga. 1993).

223 It appears that an arrest is not required if there are “reasonable grounds” to believe that a person was under the influence and he/she was involved in an accident that resulted in either serious injury or death. OGCA §40-5-55(a).

224 If proper and objective warnings are not given, evidence of refusal (of a chemical test) may not be admissible. State v. Leviner, 443 S.E.2d 688 (Ga.App. 1994).

Other Criminal Actions Related to DWI:
Homicide by Vehicle:
State Has Such a Law: Yes

Manslaughter in the Second Degree – when a person
wantonly causes the death of another person including
situations where the death results from the person’s operation
of a motor vehicle. KRS §507.040; Spring v. Com., 998
S.W.2d 439 (Ky. 1999).

Reckless Homicide – when a person, with recklessness causes
the death of another person. KRS §507.050; Farmer v. Com., 6
S.W.3d 144 (Ky.App. 1999).

Sanctions:
Criminal Sanction: Manslaughter in the Second Degree – Class C Felony;
Reckless Homicide – Class D Felony.

Imprisonment (Term)/Fine:
Class C Felony – Not less than 5 years or more than 10 years
and may be fined not less than $1,000 or more than $10,000.
Class D Felony – Not less than 1 year or more than 5 years
and may be fined not less than $1,000 or more than $10,000.
KRS §§532.060; 534.030.

Mandatory Minimum Term: None

Administrative Licensing Action:
Licensing Authorized and Type of Action: Revocation KRS §186.560(1), (4).

---

318 The difference between the two manslaughter statutes lies within their degrees of culpability. Manslaughter in the second degree
requires wantonness, which inherently includes recklessness. This is similar to voluntary manslaughter. Reckless homicide requires
only recklessness, which is similar to involuntary manslaughter.
Length of Term of Licensing Withdrawal: Not less than 5 years (mand). KRS §186.560(4).

DWI Offenses and Commercial Motor Vehicles (CMV)/Commercial Driver's Licenses (CDL):

A person is “disqualified” from operating a CMV for 1 mandatory year (3 years if transporting hazardous materials) if, while driving a CMV, that person: (1) has a BAC/BrAC/UrAC ≥ .04; (2) is under the influence of alcohol or a controlled substance; or (3) has refused to submit to a chemical test for either alcohol or drugs. For a subsequent violation or a combination of two or more violations of any of the above-listed items, the “disqualification” is for life (10 years mand).

A person who operates a CMV with a BAC/BrAC ≥ .04 but ≤ .08 is subject to a fine of not less than $20 and not more than $50. However, if the BAC/BrAC is > .08, that person is subject to the same fines as for a regular drunk-driving offense. In addition, a CMV operator who has any measurable (or detectable) amount of alcohol or controlled substance in the system must be placed “out-of-service” for 24 hours.

If a CMV operator refuses to submit to a chemical test (for an alcohol concentration or for the presence of other drugs) under the CMV implied consent law provisions, the operator’s privilege to operate a CMV can be either suspended or revoked:

First refusal – the CMV privilege is suspended for one year (mand);
Subsequent refusal – the privilege is suspended for life (mand).

However, if the operator fails to appear at the implied consent hearing, which is automatically scheduled in refusal situations, the CMV privilege is revoked; the length of this revocation is not specified.

The pre-trial and implied consent provisions of Ch. 189A also apply to CMV operators (KRS §281A.220(2)).

A person is prohibited from operating a CMV during either a CDL disqualification or a CDL out-of-service order. KRS §281A.090(2). However, neither this section nor any other provision of Chapter 281A provides a sanction for this prohibition.

349 Under MD Code, Courts & Judicial Proceedings §10-305(a), a test for alcoholic content of the blood cannot be administered unless: (1) the driver is unconscious or otherwise incapable of refusing a test; (2) injuries to the driver require removal to a medical facility; or (3) breath test equipment is not available. The Court of Appeals of Maryland has held that, under this statute, if a driver agrees to submit to a breath test and the equipment is available but not a qualified operator, the driver may refuse to submit to blood test without incurring licensing action. Under these circumstances, a refusal to submit to a blood test is not considered to be a refusal to submit to a chemical test under the implied consent law. Hyle v. Motor Vehicle Admin., 702 A.2d 760 (Md. 1997).

350 This applies only when the trier of fact finds beyond a reasonable doubt that the person knowingly refused to take a test arising out of the same circumstances as the violation.

Administrative Licensing Actions:
**Pre-DWI Conviction:**

**Administrative Per Se Law:**
This law encourages DWI offenders who have a BAC/BrAC $\geq .08$ (for persons < 21 $\geq .02$), to request a trial within 30 days after arrest. If the chemical test indicates one of the above BAC/BrAC levels, the driver’s license is seized by the police and sent to the licensing agency. The driver is issued a receipt for such license. This receipt may be used as a temporary permit for 30 days. However, driving privileges are extended if a trial is requested by the driver but not commenced within 30 days. Miss. Code Ann. §63-11-23(2).

**Important:** If temporary driving privileges expire without a trial having been requested by the offender, the license suspension periods for implied consent violations apply. Miss. Code Ann. §63-11-23(2).

**Other:**
A person’s license may be suspended if he/she has committed an offense that usually requires license revocation (e.g., vehicle homicide). Such action may be taken without a preliminary hearing. The time period for this suspension is not specified. Such action could occur prior to a conviction. Miss. Code Ann. §63-1-53(2)(a).

DWI Offenses and Commercial Motor Vehicles (CMV)/Commercial Driver's Licenses (CDL):  
The State's Public Service Commission and Department of Motor Vehicles and Public Safety have promulgated regulations that adopt by reference 49 CFR Parts 383 and 392. N.R.S. §483.908. Under 49 CFR §383.51, a person is “disqualified” from operating a CMV for 1 mandatory year (3 years if transporting hazardous materials) if, while driving a CMV, he/she has a BAC/BrAC $\geq 0.04$ or is under the influence of alcohol or a controlled substance. For a subsequent violation or a combination of two or more violations of any of the above-listed items, the “disqualification” is for life.

If there are “reasonable grounds to believe” that a CMV operator is under the influence of intoxicating liquor or a controlled substance, or has violated any provision of the drunk-driving or DWI vehicle homicide laws, a law enforcement officer must administer a blood, breath, or urine test to such driver in order to determine either the alcoholic content or the presence of a controlled substance in the operator’s system.

Under 49 CFR §392.5, a CMV operator who has any “detectable” amount of alcohol in their system must be placed “out-of-service” for 24 hours.

It is a misdemeanor to violate a State regulation. The sanctions for this offense are a jail term of not more than 6 months and/or a fine of at least $100 (mand) but not more than $1,000. In addition, a person who violates a State regulation may also be liable for a civil penalty not to exceed $10,000. - Implied Consent Law: Yes R.C. §4511.191
- Arrest Required (Yes/No): No R.C. §4511.191(A)(3), (5)<sup>479</sup>
- Implied Consent Law Applies to Drugs (Yes/No): Yes R.C. §4511.191(A).

---

<sup>476</sup> Alcohol concentration standards when expressed as a percentage, mean grams of alcohol per the following: (1) 100 milliliters of whole blood, blood serum, or blood plasma; (2) 210 liters of breath; and (3) 100 milliliters of urine. R.C. §§4506.01(A); 4511.19(A), (B).

<sup>477</sup> Also, for a breath or whole blood alcohol concentration which is ≥ .17, for a blood serum or plasma alcohol concentration ≥ .204, or for a urine alcohol concentration which is ≥ 0.238. R.C. §4511.19(A)(1)(f), (g), (h), (i).

<sup>478</sup> However, a field sobriety test may be given. Evidence of such test may be presented in a criminal case so long as it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with testing standards. R.C. §4511.194(C). Further, the result of a portable breath test is a factor, in addition to field sobriety tests, upon which a law enforcement officer may base probable cause for arrest.

<sup>479</sup> The code states that a chemical test shall be administered at the request of an officer having reasonable grounds to believe a person was operating a vehicle in violation of the DWI (OVI) statute. It also states that if an officer arrests a person for a violation, the officer shall request such person to submit to a chemical test. R.C. §4511.191(A)(3), (5). Based on this language, it appears that arrest is not required for an officer to request someone to submit to a test. However, if there is an arrest, then the officer is mandated to give such test.
Refusal to Submit to Chemical Test: Yes (Criminal Cases) State v. Hoover, 916 N.E.2d 1056 (Ohio 2009); City of Westerville v. Cunningham, 239 N.E.2d 40 (Ohio 1968).

Admitted into Evidence: Yes (Criminal Cases)

Other Information: A law enforcement officer shall advise the person at the time of the refusal that the officer may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person’s whole blood or blood serum or plasma. A law enforcement officer who acts pursuant to this division to ensure that a person submits to a chemical test is immune from criminal and civil liability based upon a claim for assault and battery or any other claim for the acts, unless the officer acted with malicious purpose, in bad faith or in a wanton or reckless manner. R.C. §4511.191(A)(5)(b).

Chemical Tests of Other Substances for Alcohol Concentration Which Are Authorized Under the Implied Consent Law:

Except as noted, limited driving privileges may be granted after the mandatory period of license suspension has passed.
R.C. §§4510.021; 4510.13. The license suspension is subject to appeal pursuant to R.C. §4511.197.

A suspension for a refusal will not terminate if the driver is found “not guilty” of the related DWI (OVI) offense. However, such suspension will terminate if the person is found guilty of or pleads guilty to a related DWI (OVI) offense. Additionally, such suspension shall be credited against any judicial suspension for a DWI (OVI) conviction any time during which the person serves a related suspension imposed for a refusal.
