Bicyclists Make Safe Choices!

- Bicycles in the roadway are considered vehicles.

- Bicyclists ages 10 and older should bicycle like a vehicle, on the street, in the same direction as other traffic and follow the same rules.

- Sidewalks were designed for pedestrians. If you bicycle on the sidewalk:
  - Bicycle slowly and give pedestrians the right of way.
  - Don’t bike into Grandma or baby brother in his stroller.
  - Follow the rules for pedestrians.
  - Cross the road by walking your bicycle in the crosswalk just like a pedestrian.
  - Stop before crossing the street from a sidewalk to give motorists time to see you.
  - Make sure turning motorists see you by making eye contact.
