**IF YOU FEEL DIFFERENT  
YOU DRIVE DIFFERENT**

## **TAKE THE PLEDGE**

The fight to end drug-impaired driving starts with you. Make the commitment today to drive drug-free.

Drug-impaired driving kills and injures thousands of people each year. I pledge to:

- Protect lives by never taking drugs that can impair my driving.
- Be a good passenger and speak out if someone who is drug-impaired wants to drive.
- Encourage my friends and family to drive drug-free.
