Manager Gould,

On January 28, 2020, the Automated Traffic Enforcement Survey and accompanying memo was emailed to all law enforcement executives in the State of Colorado. I requested survey responses no later than February 24, 2020.

The responses included:

37 law enforcement agencies responded
36 of responding agencies do not use automated traffic enforcement
1 of the 36 agencies, Aurora PD, indicated they discontinued use in 2019
1 agency, Denver PD, indicated they use red light and speed enforcement cameras. Denver PDs survey response is attached for your reference.

Respectfully,

Kimberly Ferber
Colorado DRE, SFST and Law Enforcement Coordinator
