			l or tooknol	agical significance
			l or technol	ogical significance.

PAPERWORK REDUCTION ACT STATEMENT: A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB Control Number. The OMB Control Number for this information collection is 2127-0002. The information collected on this form is necessary to obtain a decision from NHTSA that a motor vehicle that does not comply with all applicable Federal motor vehicle safety standards possesses sufficient historical or technological significance to be imported for purposes of show or display. The information is used to verify that a vehicle is eligible to be imported on this basis. We estimate that it will take approximately 10 minutes to complete the form, including the gathering, preparation, and assembly of all necessary attachments. The information collected is necessary to obtain a benefit under 49 U.S.C. 30114 and 49 CFR 591.5(j)(1)(iii), 591.6(f)(2) and 591.7(d). Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, National Highway Traffic Safety Administration, 1200 New Jersey Ave, S.E., Room W45-205, Washington, DC, 20590.
