Program Area: Communications (Media)

<b>Countermeasure Strategy:</b> <ul style="list-style-type: none"> <li>• Mass Media Campaign</li> </ul>		<b>Project description:</b> <ul style="list-style-type: none"> <li>• DUI media interviews in English and Spanish throughout the year and during holiday enforcement campaigns. These events are widely covered by local TV, radio, and print media. GOHS’s online DUI reporting system and press releases during planned enforcement events are distributed daily to the media with updated impaired driving statistics from the previous evening’s activities and prior events. These releases provide constant news reports on DUI arrests and a plea to the public to reduce these numbers.</li> <li>• Motorcycle Safety -Activity to include public awareness about motorcycles and the need to be alert and watch for them. The campaigns also promote motorcyclist compliance with Arizona’s traffic laws. This project includes development of brochures and other collateral materials, as well as print, electronic, and radio and broadcast media to include “Look out for Motorcycles” and “Share the Road” messages. With the assistance of ADOT, GOHS will place motorcycle awareness messages on ADOT traffic boards on these identified highways. Messages will broadcast on days leading up to the weekend. GOHS will place motorcycle awareness messages during the Motorcycle Awareness Month of May in conjunction with the Governor’s Proclamation.</li> <li>• Occupant Protection - Activities to include paid/earned media campaigns (electronic, print, radio, and broadcast) to promote public awareness of and compliance with AZ's occupant protection, safety belt, and child safety seat laws and seatbelt usage assessments. GOHS supports "Public Safety Days" at the AZ State Fair to provide information and education about Arizona Occupant Protection laws and general traffic safety issues. GOHS will conduct an annual safety belt and child safety seat survey.</li> <li>• Ped and Bike - Activities to include paid/earned media campaigns (electronic, print, radio, and broadcast) to promote public awareness of Pedestrian and bicycle safety.</li> <li>• Selective Traffic - Activities to include community awareness regarding the dangers of speeding, reckless driving and distracted driving campaigns.</li> </ul>
